STEP 3: SEARCH FOR E-BOOKS

Students may search for e-books using the Library Search page Find box. Searches can be done using keyword, title author, subject or series. E-books will have a blue **e** symbol below the book title in the search results. E-books will usually appear at the end of your search results list.

ANOTHER WAY TO SEARCH

Library Search
Destiny Quest
Destiny Discover

Once your logged in you may search for only e-books by using the Destiny Discover link on the left tool bar on the Library Search page. You may then search by author, subject, genre, & more.

STEP 4: E-BOOK BORROWING

To read your e-book select open and click OK. Checkout your book by selecting the checkout title under Book. You may borrow an e-book for one week. After one week, the book will automatically be returned and available for others to borrow it.

A book may only be borrowed by one user at a time unless it has the green infinity sign. This indicates the book can be checked out to multiple borrowers at the same time.
